2	The reasons for the selection of the candidate selection shall be with reference to the qualifications, achievements and merit of the candidate, and not mere “winnability at the polls (not more than 100 words)	The candidate has a long and distinguished political and electoral track record. He has – in the past – served as a consecutive four term MP from two different states and as General Secretary, Vice President and later President of the Indian National Congress. The candidate has deep organisational, political and electoral experience.
3	Reasons as to why other individuals without criminal antecedents could not be selected as candidates (not more than 100 words)	The cases filed are politically motivated cases by BJP/RSS members where, in the vast majority, even charges have not been framed. Moreover as a senior party leader (former National President) with wide and deep experience no other individuals with commensurate experience could be identified.
